SELECTMEN'S REPORT

At this time we would like to call your attention to the financial condition of the town in a clearer manner than just numbers and figures.

We acknowledge that we went over on Town Hall Appropriation, but look at the things of improvement we bought (100) one hundred new chairs badly needed, 12 dozen knives, 12 dozen forks, 15 dozen teaspoons and 4 dozen table spoons. Built a new stage which was needed for our young people to put on entertainments, and give them a chance to show the people of the town, that we have talent in our own town.

Put in electric lights in the down stairs which were needed to take care of lighting up for suppers and lunches, also to be used to a great advantage for election and counting ballots at night, also put on exit lights where the law required them.

The Chief of The Fire Department told us we would have to swing the two front doors on the Town Hall out, so after careful study of the plan we found it necessary to put on a piazza for the people to step out on, also the Town Hall was beginning to show wear and needed a coat of paint we put it up for bids and got a good job done for less than one hundred and fifty dollars. So that is why the Town Hall appropriation went over.

We would recommend that new toilets be put in the Town Hall.

Less than ten years ago the Town debt was over ten thousand dollars; today we owe approximately four thousand dollars and at the rate of taxation we have been receiving in five or six years, without any disaster we should be out of debt.

We recommend that one thousand dollars on the Trust Fund, that was borrowed be paid back this year, leaving about nine hundred to be paid back next year.

We would like to thank all our department heads for their cooperation in keeping their appropriations within the amount given to them.

We have a cash balance in the hands of the treasurer, February 1, 1940 of \$6,601.58 against \$4,268.85, February 1, 1939, and we owe less on outstanding bills.

Again thanking you all for your cooperation in all Town work and business, we are your servants the Board of Selectmen of Pelham.

ERNEST Q. BIGELOW,
RICHARD C. MANSFIELD,
CHARLES W. HOBBS,

Selectmen of Pelham.

Dear Mr. Bigelow:

We have occasional requests from different towns in the state for sample town reports which they may use as models in arranging copy for their own. Very truly yours,

Note 1 — The \$200.00 appropriated for painting No. 1 and No. 4 schools was not expended in the school year which ended June 30, 1939. The expenditure was delayed as a W. P. A. project was being considered. This did not materialize, however, so the painting was done the past summer.

Note 2 — The minor repairs item was \$121.80 over the regular appropriation. This was made necessary by damage done to the schools by the hurricane. Of course the extra expense reduced the surplus of the school department.

REPORT OF SCHOOL NURSE

Pelham, N. H.
January 31, 1940

To the Superintendent of Schools, the School Board, and
the Citizens of Pelham:

I present my report as school nurse from February 1,
1939 to February 1, 1940:

Number of pupils examined (two examinations)	346
Number of pupils having defective vision	12
Number of pupils having defective tonsils	20
Number of pupils having defective teeth	36
Number of pupils having chicken pox	0
Number of pupils having measles	22
Number of pupils having whooping cough	0
Number of pupils attending dental clinic	37
Number of home visits	70
Number of school visits	185

The only contagious disease during the year was measles, with most of the cases being around Pelham Center and several cases in North Pelham. In the other districts the general health of the pupils has been very good. After opening school in September there was a question of a case of Infantile Paralysis but it was found to be negative.

A dental clinic sponsored by the P. T. A. was held in the Junior High School in March. Dr. T. B. Welch, Nashua, N. H. was officiating dentist. There was a small charge to each child for each treatment.

The P. T. A. also sponsored the soup project again this year, and the Red Cross furnished shoes and rubbers to those in real need.

Some of the charitably minded people of the community brought Christmas cheer to a number of needy children at Christmas time.

Respectfully submitted,

ANNA M. HORSKIN, R. N.

School Nurse

There were no changes in the teaching staff of Pelham this year. The teachers are continuing the same efficient, co-operative service which has characterized their work in the past.

The Gage Hill, Center, and North Pelham schools were painted during the summer. Due to the larger number of children attending the Junior High School it is necessary that the toilet facilities be enlarged before the next school year. There is a special article in the warrant which will provide for this improvement.

ROLL OF PERFECT ATTENDANCE

Center School—Glennie Boutwell, grade 1; Nathan Boutwell, grade 2.

Gumpus School—Catherine Siefert, grade 6.

Gage Hill School—Eileen Greenwood, grade 5; Frederick Simpson, grade 1, Arthur Simpson, Jr., grade 2.

Junior High—Rita Bennett, grade 7.

High School—Quentin Constantine, grade 9.

REPORT OF HEADMASTER

Pelham, N. H.
February 1, 1940

To the Superintendent of Schools, the
School Board, and Citizens of Pelham:

Herewith is submitted the annual report of Pelham High Schools

The current school year opened with an enrollment of twenty-seven, a relatively heavy registration for our high school. Grade X had fifteen members, and Grade IX had twelve members. All members of the Junior High School graduating class returned to High School.

On the recommendation of Mr. Russell Leavitt, the state secondary school agent, the 40 minute periods (full unit courses) have been increased to 50 minutes, but all unit classes meet for four classes weekly rather than five periods as formerly. This is a great administrative advantage, as well as meaning a more even distribution of preparation-time on the part of the pupils. The total instruction, 200 minutes per week per unit, remains the same.

The curriculum for 1939-40 is as follows, the courses alternating with those of last year:

- English I 50 min. period, 4 days per week
- *French I-II 50 min. period, 4 days per week
- *Jr. Business Tr. 50 min. period, 4 days per week
- World Culture 50 min. period, 4 days per week
- General Science 50 min. period, 4 days per week
- Fundamentals 30 min. period, 2 days per week
- (*Elective)

The following club activities or extra-curricula projects will have been included in the year's work: Safety and Automobile; Bird; Social Society; Play; public musical presentation; school paper, "Tattler." Under their respective leaders, the girls are continuing their 4-H projects, and the boys are taking shop work and manual arts.

We wish to thank parents for helping us keep our good record of attendance and tardiness.

Respectfully submitted,

ROBERT W. GOOGINS
